Everybody Can Help !!!

What Is NEMO Unmet Needs?

NEMO Monroe County Unmet Needs Committee is comprised of area residents and representatives from helping organizations. Our goal is to aid the victims of local disasters with resources that can be used to return their lives to a pre-disaster status.

This committee formed in 2006 as a result of the tornado that affected many parts of Monroe County both directly and indirectly. Our initial goal was to help those individuals impacted by the tornado. We also assisted in the 2008 flooding along with other individual family disasters. Additionally we support all disaster preparedness efforts. Disaster preparedness helps keep our community safe and lessens the impact of disaster on individuals, families, and communities.

What Does NEMO Unmet Needs Committee Do?

NEMO Unmet Needs Committee conducts a variety of tasks including the following:

- Individual case assessment for those impacted by disaster, (individual families or larger scale events)
- Collaborate with local, regional, state and national organizations to access resources for recovery
- Provide educational opportunities about disaster preparedness
- Provide training for volunteers who can help when we are threatened by or have a disaster
